Team Definition: All "school team" members must have their primary enrollment in the same school. No combined schools are allowed. A school is defined as the same building or connected buildings under the same name.

Home schooled players are allowed to form teams under the following guidelines to determine their school (team):

1. If the player is actively a part of a public or private school-based club, use the name of that school provided the student resides within that school's boundaries.
2. If the player is not practicing with any group, write 'homeschool'. The player is not officially on a team, but will compete for all individual awards.
3. If the player is practicing with a homeschool club including family-based clubs, this group is a team provided that the members all reside within the same congressional district. Use the name of the club on the line following 'school'. The team must be listed as an OSCO affiliate at www.okschess.org. OSCO affiliation is free and your club may be listed by providing name and contact information to OSCO. Please contact your club director if you have any questions.

Team scores will be the total of the top 3 scores in a section for players from the same team. There must be at least two players from the same school to qualify for a team award.

Coaches and Players must verify proper team affiliations on the wall charts before the beginning of round 3.

Rules:

Pairings will be team sensitive so long as proper pairings are possible.

The tournament will be run in accordance with the USCF Official Rules of Chess.

Donations and Volunteers:

OSCO is a non-profit organization run by volunteers who are interested in helping Oklahoma's young people better succeed in life through participation in quality chess activities. Volunteers are needed to help OSCO with its tournaments and other scholastic chess related activities.

Donations to OSCO also are an excellent way to help Oklahoma's youth through enhanced scholastic chess opportunities. There are several levels of recognition for the various contribution amounts, as described on the OSCO web site at www.okschess.org. Donations can also be made anonymously. OSCO also encourages in-kind donations of products or services directly helpful to OSCO, or to be given away at this state tournament. In-kind donations will receive the same level of recognition as cash contributions of the same value.
